Hi Lorena,

Any update on the shirts? We've always steered our tenants to the men in the bright gold shirts & with the one man wearing the white long sleeve shirt it's confusing and it's not obvious that he is one of the public safety officers.

Appreciate you giving Universal a little 'push' if needed.

Enjoy the extra warm weekend,

Marie,

Per our contract, Universal is responsible for supplying their uniforms. Donte has made the request.

They are completing a merger and are slow in getting the new shirts.

Hi Lorena,

Universal has had a newer employee, Theodore Kerr, working in the evenings. Since he started he's not had the standard bright gold shirt that all of the other officers wear. This makes it hard for us, our tenants, or anybody looking for an officer to identify. I've asked him numerous times when he will begin wearing the standard shirt and he's told me he doesn't know. Is he scheduled to receive the standard shirts soon?
